# KS4 Computer Science Curriculum Map

Programming languages and Integrated Development Environments

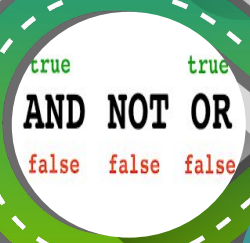
2.5

Ethical, legal, cultural and environmental Impacts of digital technology

1.6

Boolean logic

2.4



Y11

Systems software

1.5

Programming fundamentals

2.2

2.3

Producing robust programs

1.3/ 1.4

Computer networks, connections and protocols

Network security

1.2

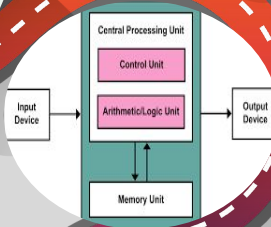
Memory and storage

2.1/2.2

Programming fundamentals

Algorithms

Y10



Systems architecture

1.1
